

Friends of TAUNTON Library

Dear Potential Friend,

It is now some time since a small group of people came together at Taunton library and started to form a Friends group with the express desire to support the library with financial assistance purchasing items wanted, encouraging volunteers and assisting with course activities to enrich people's lives.

Up until 2017 this small group has remained very low key but have achieved great strides towards their goals. Many items have been purchased on behalf of Taunton's libraries and various groups have been set up and are successfully running, such as the Creative Writing, Mah Jong, Woolly Wednesday, Children's Craft and Scrabble.

There are plans to introduce some help with getting started with your tablet and a model making course.

The small group has now decided to reach out to you and invite you to join with us to make 2017 a key year for the Friends of Taunton Library (FoTL). We hope you will be encouraged sufficiently to join FoTL and there is a membership application at the bottom of this letter, please complete and return to the library with your membership fee.

All members will then receive a copy of the FoTL newsletter that will be sent by email. (There will be a limited number of copies available from the library for those without an email address.)

We look forward to meeting you at our next open meeting where you can help guide the Friends along its path.

I have attached a copy of the latest Newsletter for you to read.
